We are thrilled to once again host Leslie Peterson Sapp. Story without a Plot is a continuation of her series inspired by classic American film noir. These narrative works feature compelling compositions rendered in painted paper collage and mixed media on panel. In our Alcove we present fiber art sculpture by Karen Thurman, whose inspiration comes from the medium itself – the transformation of fiber into felt. Strongly influenced by the natural world, her organic shapes offer lively color, pattern and whimsy, an injection of levity into our world.

Tempo Gallery - 9

TEMPO GALLERY is a unique little 6 artist member gallery. We are showing a variety of original artwork-watercolor and acrylic paintings, fabric wall hangings, photography, monoprints, and art cards. Keyboard jazz by Peter Unander. Find TEMPO Gallery, Astoria, on Facebook. Open Saturdays 12-8pm.
